Football in the Netherlands

Dutch Football is famous all over the world. For a small country like the Netherlands that is quite an achievement. Over the past 35 years the Dutch played an important role in international football, with the National Team in European and World Cups, with the biggest Dutch football clubs in the major European Cup competitions and with Dutch players in the most popular European clubs.

National Team

The Dutch National Team gained an impressive record in the world, with the so called 'Total Football'. In the last 30 years the Dutch National Team was almost always present at the World Cup. The best achievements are:

- 1974 2nd at the World Cup in Germany
- 1976 3rd at the European Championships in Yugoslavia
- 1978 2nd at the World Cup in Argentina
- 1988 1st (European Champions) in Germany
- 1992 3/4 finalist EURO'92 in Sweden
- 1994 7/8 finalist World Cup in USA
- 1996 7/8 finalist EURO'96 in England
- 1998 4th at the World Cup in France
- 2000 3/4 finalist EURO2000 in the Netherlands and Belgium
- 2004 3/4 finalist EURO2004 in Portugal

Professional Football

50 years ago professional Football was introduced to the Netherlands. It initially included 80 clubs, but their number gradually decreased over the years to less than half. Currently there are 38 teams competing in two professional divisions.

Dutch clubs achieved great international success from the early 1970s. The biggest successes so far:

- | | | |
|-----------------------|----------------------------|---|
| • Ajax Amsterdam | European Cups
World Cup | 1971-1972-1973-1987-1992-1995
1972-1973-1995 |
| • Feyenoord Rotterdam | European Cups
World Cup | 1970-1974-2002
1970 |
| • PSV Eindhoven | European Cups | 1978-1988 |

Talents and Education: Great Coaches make Great Players

How can a country like Holland with this limited number of players become one of the leading football countries in the world? One of the answers is surely the fact that already in the 1960s the KNVB started making development programs for the improvement of our game. Development through educating the coaches and the players. Great initiator in that program has always been Mr. Rinus Michels who not only worked successfully with the big names in the teams of 1974 and 1978 but also with the generation who became European Champions in 1988. The department Coaching and Education with Rinus Michels and Bert van Lingen (author of the official Dutch Coaching book: 'Coaching Football') has in the 1980s and early 1990s set the foundation for what we now call the **KNVB Academy**.

The KNVB Academy

The KNVB Academy is the Educational Department of the Royal Netherlands Football Association. As a small European country with a limited number of active players, the KNVB was forced to develop Educational Programs already in the 1960s. More than 45 years of experience in Football Development is gathered in 'The KNVB Academy'.

The KNVB Academy was **founded in 1996** to concentrate all educational programs for Dutch football in one body. The Dutch operations of the KNVB Academy are focussed on development of coaches, referees and administrators in the Netherlands. The courses and workshops are all in Dutch language and are awarded with a Dutch Diploma or Certificate which can be used in the Netherlands. Dutch coaching diplomas are UEFA approved.

The International Department of the Academy is of service for coaches and clubs from abroad and runs programs worldwide to assist other Football Associations on national, regional or local level.

The Academy is active in following areas:

1. In the Netherlands
